WHOLE NO. 1850

WILLIAM GREEN, President

WASHINGTON, D. C., TUESDAY, APRIL 22, 1942

GEORGE MEANY, Secretary-Treasurer

VOL. 37, NO. 18

President Warns Prices Must Be Cut If Country Is to Avert Recession

New York City—Barnes, warning that "excessive wholesale prices" are being paid in the Nation, and that "if prices are not cut, a recession is inevitable," President Truman in an address before the United States Congress, said that the nation is in a "dangerous position" and that "if prices are not cut, a recession is inevitable."

The President also repeated earlier warnings that "excessive wholesale prices" are being paid in the Nation, and that "if prices are not cut, a recession is inevitable."

The President presided at his attack on prices by drawing a picture of the nation's economic situation, and pointing out that the nation is in a "dangerous position" and that "if prices are not cut, a recession is inevitable."

Red Infiltration Into American Fields Is Sharply Hit On AFL Radio Program

Washington, D. C.—Legislative made into far-flung branches of American industry, commerce, and industry—and were recently discovered by the American Federation of Labor, Inc., in a radio program.

The program, which was broadcast on the radio, was a warning to the American people that "red infiltration" is a serious threat to the nation's security.
